A. Letter from the European Union

Sir,

I have the honour of referring to the negotiations which took place in accordance with the spirit of the Euro-Mediterranean Roadmap for agriculture (Rabat Roadmap), adopted by the Euro-Mediterranean Ministers of Foreign Affairs on 28 November 2005, for the acceleration of liberalisation of trade in agricultural products, processed agricultural products and fish and fishery products, and under Articles 7, 12 and 14 (2) of the Euro-Mediterranean Interim Association Agreement on trade and cooperation between the European Community, of the one part, and the Palestine Liberation Organization (PLO) for the benefit of the Palestinian Authority of the West Bank and the Gaza Strip (hereinafter referred to as 'Palestinian Authority'), of the other part (hereinafter referred to as the 'Interim Association Agreement'), in force since 1 July 1997, which states that the Community and the Palestinian Authority shall progressively establish greater liberalisation, inter alia, of their trade in agricultural products of interest to both Parties.

A. The Parties have agreed on the following temporary amendment to the Interim Association Agreement:

1. Protocol 1 shall be replaced by that appearing in Annex I to this Agreement in the form of an Exchange of Letters, subject to the provisions of point C thereof.

'The provisions of this Chapter shall apply to products originating in the European Union and in the West Bank and the Gaza Strip other than those listed in chapters 1 to 24 of the Combined Nomenclature (CN) and of the customs tariff of the Palestinian Authority, and those listed in Annex 1(1)(ii) of the Agreement on Agriculture of the GATT. However, this Chapter shall continue to apply to chemically pure lactose of CN code 1702 11 00 and glucose and glucose syrup, containing in the dry state 99 % or more by weight of glucose of CN codes ex 1702 30 50 and ex 1702 30 90.'

2. The title of Chapter 2 shall be replaced by the following:

'AGRICULTURAL PRODUCTS, PROCESSED AGRICULTURAL PRODUCTS AND FISH AND FISHERY PRODUCTS'.

3. Article 11 shall be replaced by the following:

'The provisions of this Chapter shall apply to products originating in the European Union and in the West Bank and the Gaza Strip listed in chapters 1 to 24 of the Combined Nomenclature (CN) and of the customs tariff of the Palestinian Authority, and those listed in Annex 1(1)(ii) of the Agreement on Agriculture of the GATT, with exception of chemically pure lactose of CN code 1702 11 00 and of glucose and glucose syrup, containing in the dry state, 99 % or more by weight of glucose of CN codes ex 1702 30 50 and ex 1702 30 90, for which duty free market access was already granted within Chapter 1.'

4. Article 12 shall be replaced by the following:

'The European Union and the Palestinian Authority shall progressively establish greater liberalisation of their trade in agricultural products, processed agricultural products and fish and fishery products of interest to both Parties.'

5. Article 13 shall be replaced by the following:

‘1. Agricultural products, processed agricultural products and fish and fishery products originating in the West Bank and the Gaza Strip listed in Protocol 1, on importation into the European Union shall be subject to the arrangements set out in that Protocol.

2. Agricultural products, processed agricultural products and fish and fishery products originating in the European Union listed in Protocol 2, on importation into the West Bank and the Gaza Strip shall be subject to the arrangements set out in that Protocol.’

6. Article 23bis shall be added:

‘Temporary Withdrawal of Preferences

1. The Parties agree that administrative cooperation and assistance are essential for the implementation and the control of the preferential treatment granted under this Agreement and underline their commitment to combat irregularities and fraud in customs and related matters.

2. Where a Party has made a finding, on the basis of objective information, of a failure to provide administrative cooperation/assistance and/or of irregularities or fraud under this Agreement, the Party concerned may temporarily suspend the relevant preferential treatment of the product(s) concerned in accordance with this Article.

3. For the purpose of this Article a failure to provide administrative cooperation/assistance shall mean, *inter alia*:

- (a) a repeated failure to respect the obligations to verify the originating status of the product(s) concerned;
- (b) a repeated refusal or undue delay in carrying out and/or communicating the results of subsequent verification of the proof of origin;
- (c) a repeated refusal or undue delay in obtaining authorisation to conduct enquiry visits to determine the authenticity of documents or accuracy of information relevant to the granting of the preferential treatment in question.

4. For the purpose of this Article a finding of irregularities or fraud may be made, *inter alia*, where there is a rapid increase, without satisfactory explanation, in imports of goods exceeding the usual level of production and export capacity of the other Party that is linked to objective information concerning irregularities or fraud.

5. The application of a temporary suspension shall be subject to the following conditions:

- (a) The Party which has made a finding, on the basis of objective information, of a failure to provide administrative cooperation/assistance and/or of irregularities or fraud shall without undue delay notify the Joint Committee of its finding together with the objective information and enter into consultations within the Joint Committee, on the basis of all relevant information and objective findings, with a view to reaching a solution acceptable to both Parties.
- (b) Where the Parties have entered into consultations within the Joint Committee and have failed to agree on an acceptable solution within 3 months following the notification, the Party concerned may temporarily suspend the relevant preferential treatment of the product(s) concerned. A temporary suspension shall be notified to the Joint Committee without undue delay.

- (c) Temporary suspensions under this Article shall be limited to that necessary to protect the financial interests of the Party concerned. They shall not exceed a period of 6 months, which may be renewed if at the date of expiry nothing has changed with respect to the conditions that gave rise to the initial suspension. They shall be subject to periodic consultations within the Joint Committee, in particular with a view to their termination as soon as the conditions for their application no longer apply.

Each Party shall publish according to its internal procedures, in the case of the European Union in the *Official Journal of the European Union*, notices to importers concerning any: notification referred to in paragraph 5 (a); decision referred to in paragraph 5 (b); and extension or termination referred to in paragraph 5 (c).¹

7. Protocol 2 and its Annexes shall be replaced by those appearing in Annex II to this Agreement in the form of an Exchange of Letters.
8. A Common Declaration on sanitary and phytosanitary or technical barriers to trade issues, appearing in Annex III to this Agreement in the form of an Exchange of Letters, shall be added to the Interim Association Agreement.

C. The Parties have agreed on the following additional provisions:

1. (a) The temporary amendments provided for under point A shall apply for a period of 10 years from the entry into force of this Agreement in the form of an Exchange of Letters. However, depending on the future economic development of the West Bank and Gaza Strip, a possible extension for an additional period of those amendments could be considered by the Joint Committee. Such a decision shall be taken by the Joint Committee at the latest 1 year before the expiration of the 10 years period as provided by this Agreement in the form of an Exchange of Letters.
- (b) The European Union and the Palestinian Authority shall meet 5 years from the date of entry into force of this Agreement in the form of an Exchange of Letters, to consider the possibility of granting each other further permanent concessions of trade in agricultural products, processed agricultural products and fish and fishery products with the objective laid down in Article 12 of the Interim Association Agreement.
- (c) The starting point for future reciprocal negotiations will be the consolidated concessions of the Interim Association Agreement, which are listed in Annexes II and IV of this Agreement in the form of an Exchange of Letters.
- (d) It is understood that the trade conditions to be granted by the European Union as a result of these future negotiations may be less favourable than those granted under the this Agreement in the form of an Exchange of Letters.
2. Article 7(1) of the Interim Association Agreement shall not apply pending the application of the temporary amendments provided for under point A of this Agreement in the form of an Exchange of Letters.

This Agreement in the form of an Exchange of Letters shall enter into force on the first day of the third month following the date of the deposit of the last instrument of approval.

I have the honour to confirm that the European Union is in agreement with the content of this letter.

I would be grateful if you could confirm the agreement of your Government to the above.

Please accept, Sir, the assurance of my highest consideration.

The Parties shall solve any problems, in particular sanitary, phytosanitary or technical barriers to trade, hindering the implementation of this Agreement, by means of existing administrative arrangements. ANNEX IV

A: CONSOLIDATED LIST OF CONCESSIONS APPLIED TO IMPORTS INTO THE EUROPEAN UNION OF AGRICULTURAL PRODUCTS AND FISHERY PRODUCTS ORIGINATING IN THE WEST BANK AND THE GAZA STRIP BEFORE THE ENTRY INTO FORCE OF THIS AGREEMENT IN THE FORM OF AN EXCHANGE OF LETTERS

1. The products listed in the Annex, originating in the West Bank and the Gaza Strip shall be admitted for importation into the European Union, according to the conditions contained hereafter and in the Annex.

(a) Customs duties are eliminated or reduced as indicated in column 'a'.

(b) For certain products, for which the Common Customs Tariff provides the application of an ad valorem duty and a specific duty, the rates of reduction, indicated in columns 'a' and 'c', only apply to the ad valorem duty. However, for the product corresponding to the subheading 1509 10, the duty reduction applies to the specific duty.

(c) For certain products, customs duties are eliminated within the limit of the tariff quotas listed in column 'b' for each of them; the tariff quotas shall apply on an annual basis from 1 January to 31 December, unless otherwise specified.

(d) For the quantities imported in excess of the quotas, the common customs duties are, according to the product concerned, applied in full or reduced, as indicated in column 'c'.

2. For certain products, the exemption of customs duties is granted in the framework of reference quantities as indicated in column 'd'.

Should the volume of imports of one of these products exceed the reference quantity, the European Union, having regard to an annual review of trade flows which it shall carry out, may make the product in question subject to a tariff quota of the Union, the volume of which shall be equal to the reference quantity. In that case, for quantities imported in excess of the quota, the common customs duty is, according to the product concerned, applied in full or reduced as indicated in column 'c'.

3. For the first year of application, the volumes of the tariff quotas and the reference quantities shall be calculated as a pro rata of the basic volumes, taking into account the period elapsed before the date of entry into force of this Protocol.
4. For some products listed in the Annex, the volume of the tariff quota is increased twice, on the basis of the volume indicated in column 'e'. The first increase takes place on the date when each tariff quota is opened for the second time.

B. Letter from the Palestinian Authority

Sir/Madam,

I have the honour to acknowledge receipt of your letter of today's date which reads as follows:

I have the honour of referring to the negotiations which took place in accordance with the spirit of the Euro-Mediterranean Roadmap for agriculture (Rabat Roadmap), adopted by the Euro-Mediterranean Ministers of Foreign Affairs on 28 November 2005, for the acceleration of liberalisation of trade in agricultural products, processed agricultural products and fish and fishery products, and under Articles 7, 12 and 14 (2) of the Euro-Mediterranean Interim Association Agreement on trade and cooperation between the European Community, of the one part, and the Palestine Liberation Organization (PLO) for the benefit of the Palestinian Authority of the West Bank and the Gaza Strip (hereinafter referred to as 'Palestinian Authority'), of the other part (hereinafter referred to as the 'Interim Association Agreement'), in force since 1 July 1997, which states that the Community and the Palestinian Authority shall progressively establish greater liberalisation, inter alia, of their trade in agricultural products of interest to both Parties.

A. The Parties have agreed on the following temporary amendments to the Interim Association Agreement:

1. Protocol 1 shall be replaced by that appearing in Annex I to this Agreement in the form of an Exchange of Letters, subject to the provisions of point C thereof.

B. The Parties have also agreed on the following permanent amendments to the Interim Association Agreement:
